

# Excalibur Hydra

## The ONLY Pool Plaster Pump On The Market

### Excalibur Hydra EXCLUSIVE

- (1) Completely hydraulic pump AND mixer system
- (2) Deck mounted, infinite pump speed control
- (3) Full spout, splash-free mixer
- (4) 15 cubic foot hopper
- (5) Full-size bearing flaps
- (6) Concealed hydraulic hoses
- (7) *Pump designed specifically for pool plasterers*

### Competitor's Plaster Pumps

- Gear-box, clutch & pulleys lack user control  
Manual speed adjustment required with pump off  
Half spout mixer  
Inadequate 9 cubic foot hopper  
Smaller mixer shaft & bearing flaps  
Exposed hydraulic mixer hoses on platform  
*Stucco pump rigged for plastering pools*
