

## SUPER TEXAN

SINGLE-SPEED HOPPER MACHINE

### SUPER TEXAN SPECIFICATIONS

Industry professionals choose Spray Force for our innovation, experience, and four decades of proven quality. Compare our specifications and ask us how Spray Force equipment is different.

The Super Texan is a tough, versatile single-speed machine designed for light to medium use, perfect for small spray jobs or as an ideal backup machine. It can pump drywall texture, fire proofing, sand finish, dash/stucco, acoustic, and many other viscous and abrasive materials. Choose the Super Texan V for variable-speed abilities.
